

PROFESSIONAL DEER AND WOODLAND
MANAGEMENT CONSULTANTS

Wild Deer Stalking

- Individual outings
- Annual Stalking Syndicates
- Muntjac, Red, Roe, CWD & Fallow deer.

“A typical outing at Muntjac - challenging but hugely rewarding”

Review in Shooting Times (13 July 2006)

- All clients are accompanied by a fully-trained resident Professional Deer Manager.
- All managers are experienced and have local knowledge.
- Woodland and High Seat stalking available or a combination of the two.

Client Stalking

For a days stalking, which involves 2 outings, the cost is £200 plus VAT.

Syndicate Stalking

Our syndicate stalking offers a series of fixed dates for a one-off annual price, teams consist of four to five individuals.

The dates are spread throughout the year and there are various teams you can join so that the flexibility is there for you to enjoy, to fit in with the rest of your diary.

All syndicate members need to have at least WDMQ/DSC Level 1 and either to be qualified at Level 2 or actively to be seeking the higher certificate. Experience is essential and references will be sought. Those who wish to stalk but do not meet the standard required can attend a suitable training course run by the company.

Accommodation for travelling stalkers is available upon request.
